

Mission Activities

*No act of kindness,
however small,
is ever wasted.*

Our Mission:

The Mission Committee's mission is ...

*...to assist the congregation and its committees
in serving the needs of others, both locally
and globally;*

...to function as a source of information; and

*...to guide effort to best use financial and
humanitarian resources to benefit
humankind and the environment.*

*The Mission Committee's Vision is to help
those in need, to work to address those needs,
and to raise awareness of our ability to serve
those in need.*

*To believe is to care...
To care is to do.*

**UNITED CHURCH
OF CHRIST**

**Millburn Congregational
United Church of Christ**

19073 W. Grass Lake Road, Lake Villa, IL 60046
(847) 356-5237 | www.millburnchurch.org

Millburn Church has an active Mission Committee offering a variety of outreach efforts to support those in financial need, comfort those in need of God's healing hand, and preserve and protect our environment.

Adopt-A-Highway — Church volunteers clear trash along the shoulder of a portion of nearby Dilley's Road

Heifer Project — Contributions to support the Heifer International organization that provides education and livestock to sustain families worldwide

Love INC. (Love In the Name of Christ) — Supports local residents who are underserved or in need through donations of housewares, linens, winter coats, and food.

Meals on Wheels (Catholic Charities) — Drivers deliver nutritional meals to the homebound. Millburn Church provides volunteer drivers for one week each month.

Millburn Food Pantry — Provides non-perishable food, bread, pastries, toiletries and paper goods for local families in need, by appointment.

Mission Trips — Adults and/or youth participate in an annual journey involving group outreach and service to locations and people in need of support.

Mitten Tree — Collections of Christmas gifts for families who may not otherwise have presents to open. Christmas meal is also provided, including meat, fresh produce and dessert for each family.

PADS (Public Action to Deliver Shelter) — Provides meals and donations of linens and toiletries to the homeless.

Prison Families — Support for children and families of those currently serving time in the Lake County facility

Fundraising — An essential component of support, the committee relies on donations and proceeds from fundraising efforts throughout the year.

Support the efforts to help others...
Volunteers are always welcome for these activities. Watch for announcements of upcoming events and opportunities to serve those in need and care for our environment.

How Can I Help?

- Please contact me about:
- Please accept this donation for:
 - General Mission Efforts
 - PADS
 - Love INC.
 - Meals on Wheels
 - Millburn Food Pantry
 - Mission Trips
 - Mitten Tree
